## Membership details

### SWIMMING

From 1st October, we are excited to be able to welcome back those members wishing to get back in the water. Things have had to evolve to ensure we keep our staff and guests safe, so with this in mind, you will find a few changes when you visit us next time.

You will now be required to book a 45-minute swim session. These start at 8am every hour, with the last session starting at 7pm. This then allows for a thorough cleaning process to take place in between swim sessions. To book your swim slots, please contact the spa on 01726 834103 or email [thespa@foweyhallhotel.co.uk](mailto:thespa@foweyhallhotel.co.uk); these can be booked in advance but we will require 24 hours' notice of any cancellations or amendments.

Please note that changing facilities and lockers will be available, but showers will remain out of use.

In recognition of the fact that we cannot offer free access to the pool at all times, we have added the following temporary benefits to your membership, valid from 1st October until further notice:

**DOUBLE DISCOUNT ON SPA TREATMENTS\***

Book 3 treatments and receive 20% off (usually 10%)

**DOUBLE DISCOUNT ON FOOD AND DRINK\***

Get 20% off food and drink (usually 10%)

\*All offers are valid from Monday-Thursday only and must be pre-booked. This is subject to availability and cannot be used during school holiday periods.

## Lunches and afternoon teas

We are now open for pre-booked lunches and afternoon teas in our socially distanced restaurant or out on the terrace.

To book, please contact our hotel team on 01726 833866.
